Gloucestershire
Academy of
Music

Gloucestershire Academy of Music
Holiday courses have been running for
over 30 years with students returning
year after year.

The Music

A range of repertoire is chosen
appropriate to the standard of the
students. In 2017, this included
Vivaldi's Four Seasons, Ling's
Caribbean Carnival and the 'Star Wars
Theme' by John Williams.

JUNIOR ORCHESTRA

12th to 18th August 2018

The appeal of our summer holiday
courses is that students bring their
own tents and camp in the grounds
of our chosen venue. We choose
venues offering plentiful rehearsal
spaces & music facilities.

Plus having outdoor space for fun
and games, all of our venues have
the facilities needed for a fun filled
music making week.

*The course fee covers all music
tuition (over 30 hours during the
week), all food, all onsite activities
and all trips. In 2018 students will
also have the opportunity to take
part in a Gamelan workshop.

The Tutors

A Gloucestershire Academy of
Music holiday course offers
students the opportunity to work
closely with highly experienced
and inspirational tutors who are
also professional musicians
themselves.

Welfare Staff

Our highly experienced and very
popular welfare teams help make
the course a fun-packed
week. They look after the students
when they are not participating in
music sessions and are skilled at
dealing with all eventualities and
provide excellent pastoral care.
Activities outside music-making
time could be bouncy castle, visits
to nearby child friendly attractions,
swimming, treasure hunt,
mini-Olympics, etc.
