How To Find GAM

Although Gloucester Academy of Music is located in the centre of Gloucester, it can be a little tricky to find us the first time you visit. Despite our address being 11a Westgate Street, there is no direct access to GAM from Westgate street. The maps below give an overview of where we are within Gloucester, followed by a more detailed, larger scale map including some street-level views to help you find us and also showing the location of the nearest public car parking.

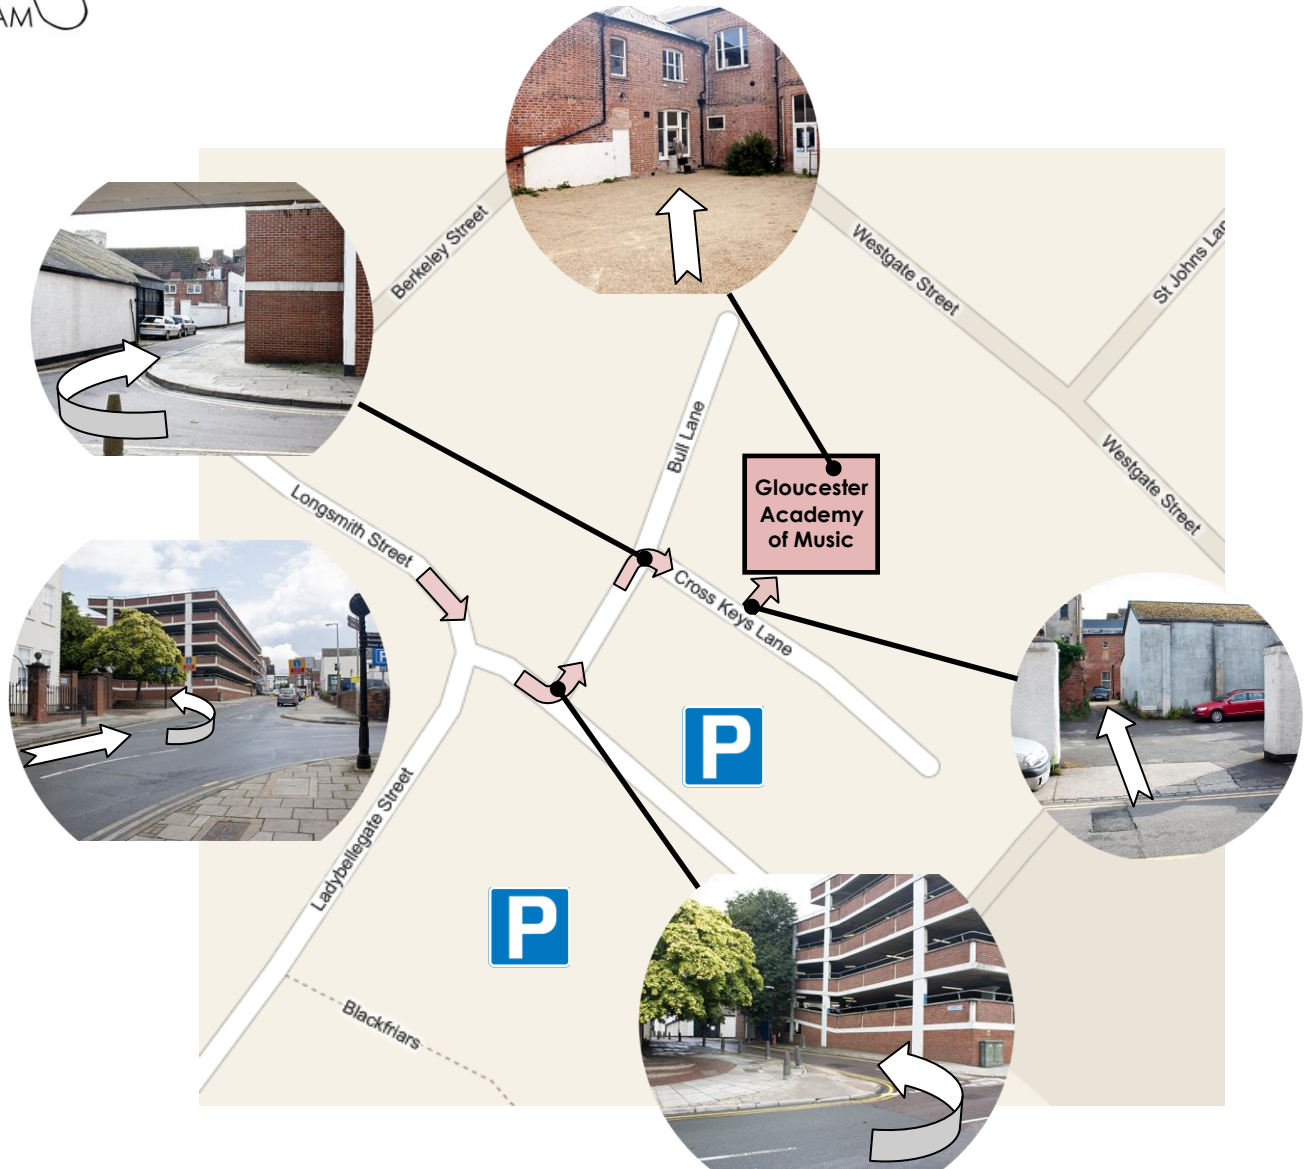

If you do happen to get lost, simply ring us on **01452 385162** and we will be happy to help with directions.

Gloucester Academy of Music

....great teachers, great music, great fun.....

1. Approaching the City on the A40 from Cheltenham – Turn right at the end of the Golden Valley bypass, following the signs for Ross-on-Wye.
2. Go straight ahead at the Longford round-a-bout (you will see signs for Tewkesbury turning right - do not turn left into the City here).
3. Go straight ahead along the single carriageway until you reach the Over round-a-bout (where the road turns right for Maisemore, and goes straight on for Highnam).
4. Here, turn left onto the Over Causeway towards the City.
5. Go straight ahead at the lights and then bear right where the road forks just over the bridge.
6. Turn first left up Lower Westgate Street and follow the road round when it bends to the right (do NOT drive up the pedestrianised area straight ahead).
7. Branch left, signposted 'Longsmith Street Car Park, and you will pass the Police station on your right.
8. The road then bends round to the right and there is access to car parks off this road. If you carry straight on (instead of following round to the right), there is a multi-storey car park ahead of you on the left.
9. There are several other car parks in the area which are within easy walking distance of our premises.
10. Once parked, go into Bull Lane (which is off Longsmith Street, just before the large multi-storey car park) and take the right turn into Cross Keys Lane.
11. Go through the black wire gates (probably already open), through our small staff car park and into the courtyard behind. (Sorry no parking allowed during day-time as these spaces are let out, **however examiners may park in the inner courtyard**, where there is also limited space for staff).
12. Our office door and entrance is diagonally opposite you as you enter the courtyard.
