Holiday Courses

A big thank you to Anne Ingram. Over 50 students enjoyed the Junior Strings and Blow It courses this Easter. The adults also enjoyed the weekend, as one commented, *"I loved being challenged and having lots of different music to play."*

Summer courses if you enjoyed yourself on the Easter course why not come on one of the summer courses at Churcham? If you haven't tried camping before, this is a good opportunity to have some great fun. **The Singing weekend** would be an ideal introduction to the delights of outdoor living! This course is also good for instrumental players as singing is an integral part of learning music.

Fancy yourself as a budding Jamie Cullum or Andy Shepherd, then don't miss the **Jazz course**, it's a great chance to learn new things with like minded students and teachers. Don't forget, whichever course you choose, you get 15% discount if you bring four new people.

A big thank you to Jo Barnard for presenting GAM with a piece of art work currently hanging on the back wall of F1. Jo produced this as part of her A level work whilst at Denmark Road School. Jo is currently inter-railing round Europe for two months before continuing with her education at Brunel University, Uxbridge. She will be studying product Design but intends to keep up her music.
